**Sequoyah County Rural Water District #4** has a full-time **System Manager** position open for someone interested in partnering with us to provide clean, safe drinking water for approximately 705 member households south of Sallisaw, Oklahoma.

The System Manager is a DEQ licensed operator responsible for managing the operations & maintenance activities of the District's water distribution system (DEQ license may be obtained after employment). Applicants must have a valid Oklahoma driver's license & they must be reliable, flexible & available to be on-call & work overtime.

Other skills desired include ability to operate & maintain light & heavy equipment, use a computer to create reports & obtain meter readings, ability to lift in excess of 50 pounds & work in all weather conditions. Applicants should be energetic, self-motivated & have excellent communication skills. Wages are based on ability, experience & certification.

Completed applications &/or resumes should be brought to our office at 461426 E. 1105 Road, Sallisaw, OK (corner of US Highway 59 & Wildhorse Mountain Road).
